

BRADFORD

MODEL RAILWAY CLUB

MEMBERSHIP

DETAILS

And

APPLICATION FORM

Club The aims of the club is to foster and encourage railway modelling in Bradford and the surrounding area

We are a small club of less than 15 members (we don't want to be too big) and generally model in scales 0, 00, N and 009).

Although we have always used traditional analogue control we are starting to dip our toe into the water with more electronics and a Club DCC system has been purchased. for future layout "Brook Street" based in Ilkley..

Activities There are many skills acquired during the building of a layout including art, mechanical engineering, electronics, woodwork, architecture and landscaping.

We provide all tools and a selection of 00 stock (Unlike some clubs) although members are welcome to bring their own.

Much social discussion and tea drinking also takes place and there are plenty of opportunities for people at all levels.

The club regularly supports other model railway clubs and societies by exhibiting layouts at exhibitions. These are also excellent opportunities to meet other modellers as well as picking up that bargain from the trade stands.

History The club was formed in 1979 by a small group from Bradford Model Engineers Society who were more interested in smaller scale modelling. Unfortunately in the late 1980's Eccleshill Community Centre where the club met had to be demolished. and for about 18 months members kept in touch by meetings in member's homes. Eventually we obtained a small upstairs room at Sedbergh Centre which whilst not really big enough it did enable the members continue meeting. After a year we moved to a rather run down Portacabin at Dudley Hill ARLFC. With the building fast crumbling around us in 1997 we managed to move back to a bigger room on the first floor at Sedbergh where we remain

Location We meet at our Sedbegh clubrooms. (1st Floor); Huddersfield Road; BD6 1DJ Monday and most Thursday evenings from about 7:45 pm onwards.

Membership

Membership of the club is open to anyone over 11 years old with an interest in the hobby.

We particularly encourage accompanied junior members 11-16 in order that the skills can be passed on to future generations.

Full Membership costs around 50p a week (£100 a year)

Associate membership is available for under 18's, members family and persons who do not visit regularly who still want to be associated with the club. (£25 a year).

(Associate members cannot vote at meetings or regularly participate in club activities.)

Introductory rates may also be available

Membership fees are due from Jan and can be paid monthly of requested.

Application

Please complete and hand to the secretary Mr Kevin JAGGER Tel 01274 521073/ 0774 5268960.
